CHARUSAT PLACEMENT GUIDELINES FOR STUDENTS-2026-27 Batch

Charotar University of Science and Technology (CHARUSAT) is committed to producing graduates with strong employability skills. To achieve this objective, the University has established a centralized Career Development and Placement Cell (CDPC) to serve students across all programmes.

One of the primary responsibilities of the CDPC is to facilitate campus placement opportunities for eligible students. These Placement Guidelines define the rules, responsibilities, and procedures governing the campus placement process at CHARUSAT.

The CDPC approaches various organizations for campus placements. These may be categorized as CDPC-facilitated placements or self-sourced placements. The CDPC provides assistance to eligible students at every stage of the selection process. However, final placement outcomes depend on factors such as economic conditions, student performance, external factors, eligibility criteria, and students' technical and soft skills.

CDPC-FACILITATED PLACEMENT DRIVE

Companies visiting the campus (in-person or virtually) fall under this category. All such drives will be considered CDPC-facilitated placements wherever student data has been submitted through the CDPC (centrally or at the institute/department level).

Students may also appear directly (in-person or virtually) as per company decisions; however, such cases will still be treated under this category. The CDPC will support students at every stage up to joining.

SELF-SOURCED PLACEMENT DRIVE

Students applying to companies not associated with CHARUSAT and without CDPC support fall under this category. In such cases, CDPC may provide limited assistance (such as interview preparation) but will not be responsible for further support.

Note: Self-sourced job offers of a student already placed through CDPC will be considered only if the offered package is at least 5 LPA higher than the existing offer.

POOL CAMPUS DRIVE

Students participating in placement drives conducted at other institutes (host institutes), where multiple colleges are invited, fall under this category. These drives may be conducted in-person or virtually and may be facilitated through CDPC or at the institute/department level.

The placement will be counted under the pool campus category provided the student's data is shared with CDPC. Necessary support will be extended by CDPC up to the joining stage.

ELIGIBILITY CRITERIA FOR CAMPUS PLACEMENT

Students must meet the following criteria to participate in placement drives:

- Students must demonstrate a clear intention to pursue placements. Those opting for higher studies, entrepreneurship, or other career paths should not participate in campus placements.

CAREER DEVELOPMENT & PLACEMENT CELL • CHARUSAT • CDPC CHARUSAT CAMPUS CHANGA

CAREER DEVELOPMENT & PLACEMENT CELL • CHARUSAT • CDPC CHARUSAT CAMPUS CHANGA

- A minimum of 80% attendance in placement-related activities is required to be eligible for placement assistance.
- Attendance at Pre-Placement Talks (PPTs) is mandatory for interested students.
- Participation in domain-related technical platforms is compulsory.
- Students must complete at least two certification courses: one from NPTEL and one in their respective domain, validated by faculty TPRs.
- Students must maintain an updated and professional LinkedIn profile.
- Students must qualify for the minimum cut-off marks in:
    - Aptitude tests conducted by CDPC
    - Domain-specific tests conducted by the respective institute/TPRs

PREPARATION FOR PLACEMENT

CDPC will conduct structured training programmes to enhance student employability, including:

- Aptitude training
- Technical skill development sessions
- Soft skills and communication workshops
- Domain knowledge sessions by industry experts
- Mock interviews

Attendance in training programmes conducted by the Faculty of Humanities and Social Sciences (FOHSS) is mandatory for all placement-interested students.

POST-PLACEMENT POLICY

- Companies visiting the campus are expected to declare results on the same day. CDPC will promptly communicate results to students.
- The University follows a strict **"one student, one job"** policy. Once a student is selected, they will not be allowed to participate in further placement drives.
- If multiple offers are received on the same day, the student may choose one. However, delayed offers (after acceptance of another) will be considered invalid.

GENERAL RULES AND REGULATIONS

- Students must wear formal attire and shoes during the recruitment process.
- ID cards must be carried at all times.
- Students must report at least 15 minutes before the scheduled time.
- Students must carry two copies of their updated resume and required documents.
- Students must stay informed through official communication channels (email, WhatsApp, CDPC updates).
- Queries should be directed to departmental placement representatives.
- Any misconduct, impersonation, or malpractice during the placement process will be treated as a serious offense and may result in permanent disqualification from placements.
- If a student registers but does not appear for a drive without informing CDPC, they may be treated as placed and allowed further participation only after all other students are placed.
- Students must complete the entire selection process once they apply for a company.
- After selection, refusal to accept the offer without valid approval from CDPC will result in strict action.
- Students must not apply off-campus to companies visiting through CDPC without prior approval.
- Contacting company personnel directly during campus drives is strictly prohibited and may lead to disciplinary action.

NON-COMPLIANCE

- Students not adhering to dress code will not be allowed to participate in that drive.
- Misconduct or lack of coordination will result in restriction from the next five placement drives.
- Cheating or impersonation will result in complete debarment from placements.
- Students who do not join after accepting an offer will be permanently barred from future placement assistance.
- Serious violations may lead to disciplinary action by the Institute/University.
- In the event of any non-compliance or breach of the placement guidelines, the CDPC Faculty Coordinator shall deposit the cheque of INR 25,000/- into the CHARUSAT account after written confirmation and/or email from Student.

EXPRESSION OF INTEREST & PARENT UNDERTAKING

To,
The Training and Placement Officer, CDPC
CHARUSAT

Subject: Expression of Interest & Parent Undertaking for Campus Placement

Dear Sir/Madam,

We, _____, parents/guardians of _____ (ID No. _____), currently studying in _____, hereby confirm that our ward is interested in participating in the Campus Placement Process at CHARUSAT.

We assure that our ward will actively participate in placement activities and attend all required training sessions. We have read and understood the placement guidelines and agree to abide by them unconditionally.

In case of non-compliance, we accept that our ward may not be allowed to participate in placement activities. We also agree that decisions taken by the HOD, Principal, and Placement Head will be final and binding.

Details:

- Name of Student: _____
- ID No.: _____
- Department: _____
- Name of Parent: _____
- Mobile of Parent: _____
- Address: _____

Signatures:

Parent Name and Signature: _____

Student Name and Signature: _____

Date: _____

Important Note:

A cheque of ₹25,000 will be collected as a security deposit from students opting for placements. This sign document and cheque need to be submitted to respective department faculty coordinator from CDPC. The cheque will be deposited only in case of violation of the placement guidelines. It will return back to students on convocation day.
